BUSINESS DESIGN

About electronic cigarettes

An all new product has made its way into the smoking industry and its called the "electronic cigarette". Also known as e cigs, electric cigarettes, e cigarettes or smokeless cigarettes. This amazing new device consists of a battery, an atomizer (heater), and a cartridge that is filled with a liquid nicotine solution. Every time you take a puff, the battery powers the atomizer which rapidly heats up the nicotine liquid inside of the cartridge, turning it into a vapor that transfers nicotine to the user. This vapor is tar free, odorless, 2nd hand smoke free, and carbon monoxide free. It is a revolutionary development and literally has people switching from tobacco almost instantly after trying. If you smoke cigarettes, your definitely going to want to try the e cigarette.

What is in an electronic cigarette?

The electronic cigarette contains only a minimal amount of ingredients when compared to the 4000+ chemicals found in traditional cigarettes. The ingredients consists of flavoring additives to create many great flavors such as menthol, tobacco, chocolate, vanilla, cap-puccino, apple, strawberry, cherry, and more. The liquid also contains distilled water, glycerin, and propylene glycol. Propylene glycol is the active vapor producing ingredient. It is a food additive with a "GRAS" status, this means "generally recognized as safe" and is approved by the FDA for use in foods, drugs, and cosmetics. It has been found in many consumer products dating back to the 1930's and it has also been found in asthma inhalers since the 1950's.

The best electronic cigarettes.

We carry some of the best electronic cigarette brands in the industry. The Vapor King electronic cigarette is well known and the brand has been dealing with vaporizer products since 2004. It has been proven to be one of the most successful products in the industry and it has been said that it truly is the "Vapor King" due to the extraordinary amounts of nicotine vapor it is able to produce in one puff. You can also purchase the Amerismoke brand which is gaining quite the reputation in the electronic cigarette industry for using all "Made in the USA" Nicotine liquid. We also carry the Smoke Pass disposable e cig which is equal to a full pack of cigarettes and it just runs out when finished. It is great to try if you are not sure if you are ready to buy an electronic cigarette starter kit. We stand behind all of our products and feel that whatever you order from us is going to be one of the best electronic cigarettes in the industry.

How to buy electronic cigarette refill cartridges, nicotine liquid, and how to refill.

Once you buy an e cigarette starter kit, you will need to purchase cartridges and e liquid (liquid nicotine). The e liquid comes pre-filled in cartridges or it can be purchased by the 10ml bottle. The cartridges are convenient because they are pre-filled, however, a great way to save money is to purchase e liquid and refill the cartridges yourself. You will also find that a few drops of e liquid prior to smoking your e cigarette will make the product work at an optimal level. It makes for a strong flavorful puff. You can order electronic cigarette refill cartridges and e liquid right off of our site or call Electronic Cigarettes Inc. at 1-877-324-4462 to place an order over the phone. The product usually arrives within 2-5 business days.

Choose your own nicotine level with the electronic cigarette

One of the greatest things about the electronic cigarette technology is that it allows you to choose your own nicotine level. This means you can choose from high, medium, low, or non-nicotine cartridges. This has never before existed as an option in the tobacco or smoking cessation industries. You can now choose from high, medium, low, or non-nicotine content and change it at anytime. This gives smokers much more freedom when it comes to nicotine consumption and has been described as one of the major selling points for any smoker thinking of switching to an electronic cigarette.

**TAR FREE
ODORLESS
SAVES \$\$\$
GREAT TASTE
MANY FLAVORS
NO SMOKE
NO ASHES
NO BUTTS**

It's time to try the electronic cigarette!

Many people around the world are experiencing the advantages of the electronic cigarette. It replicates the act of smoking a cigarette in every way. There is no longer a need to inhale tar, smoke, or carbon monoxide. The smokers of the world can evolve and move on to a cost effective, tar free, odorless, tobacco alternative, and still feel as if they are doing the same exact thing they were doing before...smoking. If you have any questions call 1-877-324-4462 or go to www.electroniccigarettes.com

THANKYOU FOR CHOOSING US!

H2O Works provides a mobile detailing and pressure washing concierge service.

Mobile Detailing: We are a fully self-contained mobile auto detailing service that conveniently performs high quality detailing on-site at your location. We do our part to "be green", by using the highest quality and most environmentally friendly products on the market today. We make the detailing process easier than ever by being on the move, ready, able and willing to come to you to provide you with the services you desire.

Pressure Washing: We take care of all your high pressure washing needs; residential, commercial and new construction. As with any exterior surface left exposed to the elements, over time the color can fade, moss and algae can accumulate, making the property look dirty and unkept. We use low pressure and safe chemicals to prevent damage to your home, landscape areas and business.

Whether you are in need of pressure washing services or mobile detailing, we have the equipment, experience and staff to fulfill your needs. We're licensed and insured. All work is guaranteed, and we're available for those urgent and emergency calls. H2O Works will get you clean!

Look inside for more details.

SOUTHWEST COMMUNITY CENTER www.smnfswcc.org SOUTHWEST COMMUNITY CENTER www.smnfswcc.org SOUTHWEST COMMUNITY CENTER www.smnfswcc.org

ONONDAGA PUBLIC LIBRARY

Onondaga Public Library is available to all programs at SMNF Inc and the community to encourage reading and promote education by the use of books, magazine, videos, activities and computers.

PRIDE (PROMOTING RESPONSIBILITY IN DRUG EDUCATION)

PRIDE: (Promoting Responsibility in Drug Education) is an educational program for school age youth which promotes wellness in youth through substance abuse or alcohol prevention and offering positive alternative activities.

S.O.A.R.

(Supporting Offenders After Release)

S.O.A.R (Supporting Offenders after Release) Project, a program designed to assist high risk individuals transitioning out of prison. S.O.A.R is the program arm of the OCRTF and is overseen by the Syracuse Model Neighborhood Facility. S.O.A.R is a case management based program that provides wrap around services to individuals considered to be at the highest risk of recidivism as measured by a validated instrument created for the Re-Entry Task Forces by DCJS

SUMMER CAMP

The Southwest Community center structured Go Green Learning Summer camp is designed for youth ages 5-12 and teens ages 13-16. Youth are assigned to age appropriate groups. As a group campers participate in various scheduled social, recreational and educational activities throughout the week including off-site field trips. All youth are required to participate in creative expressions whether through graphic arts, poetry, journaling, painting or public speaking. Breakfast, lunch and several snacks are provided.

TEAM A.N.G.E.L.

(Avoid Negative Garbage Enjoy Life)

(Avoid Negative Garbage Enjoy Life) is a mentoring program with a target population of youth ages 13-16. The program brings groups of trouble youth together to teach them the meaning of togetherness and friendships through their active participation in community projects and structured activities. Team A.N.G.E.L. members will have hands on experience with Performing Arts, Culinary Arts, Graphic Arts and Sports Program as well as enjoy Museum and College Visits. Group Discussions are an integral part of this program; focusing on Peer Pressure, Violence Prevention, Self-Esteem, Career Awareness, and age appropriate Sex Education.

YOUTH & FAMILY SUPPORT TEAM

Youth & Family Support Team consist of a collaboration of agencies who meet quarterly to discuss outreach, trainings and pertinent issues pertaining to the Syracuse community involving youth and their families.

VOLUNTEERS WANTED

Volunteers are welcomed please come in and have an interview and fill out a volunteer request form. Our facility is available to host special events e.g. wedding receptions, repast, parties plus much more you may inquire by calling Tracey at 474-6823

more than you think...since 1975

MISSION

The year 2011 marked 36 years of Syracuse Model Neighborhood Facility, Inc. (SMNF, Inc.), the non-profit 501(c)(3) governing agency of the Southwest Community Center (SWCC), responding to the educational, social, cultural, health, employment, legal and recreational needs of low and moderate-income residents of the Community Development revitalization areas. SMNF also has several convenient satellite sites to assist community members who prefer to seek services closer to their residence. SMNF has a history of providing culturally and linguistically competent services in a community seeking services from a staff that is representative of the target population in the following ways: race/ethnicity, language, and more than 30% of the staff reside within the community served. SMNF is committed and dedicated to fulfilling its mission to help people manage their lives by offering a wide array of services through community oriented programming.

SOUTHWEST COMMUNITY CENTER www.smnfswcc.org SOUTHWEST COMMUNITY CENTER www.smnfswcc.org SOUTHWEST COMMUNITY CENTER www.smnfswcc.org

Educate to establish a well-rounded, problem solving youth that are capable of making positive choices. Our youth must learn the basics of reading, writing, math, science, and social studies; these academic areas are essential to the success of our youth, their families and the communities in which we live.

Explore provide options that would develop a learning mechanism to envision positive outcomes that would result in making better choices in life. The objective is to seek the right instruments for setting the tone for learning and creating the pace for emotional, physical and spiritual development in youth.

Employ making use of trainings, skills and talents that benefit personal growth and needs of each youth. Encourage creativity, purpose, a career or continued education that will cater to the success of now, later and generations to come.

Embrace positive opportunities; our life is full of choices and what we do with these opportunities will affect our communities, family, personal achievements and our future. Live, Love and Laugh.

Endow invest into what you believe in; make another opportunity for someone else.

PROGRAMS

ACHIEVE TO SUCCEED

Achieve to Succeed is a tutorial program taught by certified Syracuse City school district Teachers. Students in grades k-10th may take advantage of this program if they presently receive free or reduced lunch in a Syracuse City school. This is a computer based English Language Arts program with a focus on basic math skills. The goal is to increase reading skills, confidence, math and reading scores in school and a desire to learn and succeed academically.

CASE MANAGERS

Case managers take intakes from people who walk in the SWCC and are not associated with any program. They assess their needs and intake information and then direct them to where their needs can be met. Items like food from the food bank or clothes give-away and assistance with emergency shelter.

CLOVER CORNERS

Clover Corners: Clover Corners: a senior program that promotes health and wellness for senior citizens. This program collaborates with other programs within the agency to provide youth and senior citizens with the interaction that is needed to strengthen social skills.

F.A.C.E.S. (HIV/AIDS AWARENESS)

F.A.C.E.S: HIV/AIDS: an awareness program that provides prevention, education distribution of prevention supplies outreach and volunteer opportunities for people of all ages, culture and sexual orientations. This program solicits their services through outreach, marketing sources such as newspapers, billboards, career fairs and radio stations, walk-in application process and free HIV rapid testing Targeted to a population of 16 and up.

FAMILY PLANNING

Family Planning: has a thirty-eight year history of providing care to individuals who, traditionally, have been excluded from the health care system; the poor and the medically indigent, minority groups, and adolescents. A primary goal of the program is to establish, expand and improve reproductive health care provided to low-income women, adolescents and men in areas of Onondaga County exhibiting high rates of medical and social need

MAINSTREAM

Mainstream: is designed to help promote social, recreational and personal development for developmentally disabled youth and young adults. It also features an independent living skills program for adults ages 21 and up.

MAP (MOVING AHEAD POSITIVELY)

MAP (Moving Ahead Positively) provides youth at Huntington elementary school and Lincoln middle school with individual and group trauma focused therapy to youth at risk of engaging in violence to prevent arrest. This therapy is designed to improve youth psycho-social functioning. In efforts to change the way the student thinks about violence and reduces their likelihood of being involved in violent acts that could be directed to arrest or suspension. This service is provided by LMSW.

FEATURED SERVICES

"If we can't do it, it can't be done"

1 ROOFING

We offer roofing repair of all sorts and cater to all sizes. We can cater towards any type of shingle replacement, patch work. By having an updated roof you save money on utilities, keep your home cool or warm throughout the year. Reduces chances of leaks over time and throughout the change of seasons.

2 GUTTERS

Gutter repair and installation is an extension to roof repair and also can save the value and structure of your foundation, roof and property below. New and clean gutters allow rain water to be drained in the allocated places saving the wear and tear on your home.

3 WINDOWS

Having new and updated windows are a perfect way to save energy and retain heat or airconditioning during the hot and cold seasons. Having insufficient insulation is a leading cause for high utility bills. Choose Flash Construction for your large to small window glass repair.

4 DOORS

Entrances into a home gives company or a visitor a first impression of your home. This ethetic decoration is also a great way to ensure security for door repair and installments. Along with front doors, Flash Construction can install screen, glass, sliding, and interior bedroom doors of all sorts.

MERCEDES-BENZ

CLA-Class

MANY STYLISH & SAFETY FEATURES IMPROVED ON OUR AERO DYNAMIC FOUR-DOOR MODELS

7 SPEED

PARKING ASSIST

TURBO CHARGED & 208 HORSEPOWER

The Mercedes-Benz CLA-Class is the German automaker's first-ever front-drive compact luxury sedan. The vehicle borrows its so-called "four-door coupe" styling from the larger CLS-Class, and is likewise distinguished by a swoopy roofline. Mercedes says it will be among the most-aerodynamic car designs among production cars, with a coefficient of drag at just 0.23. A 208-horsepower turbocharged four-cylinder engine comes with the base CLA250, while the high-performance CLA45 AMG variant packs a specially tweaked hand-built 355-horsepower 2.0-liter turbo four.

The only available transmission will be a seven-speed dual-clutch automated manual, with Mercedes' 4Matic all-wheel-drive optional on the CLA250 and standard with the CLA45 AMG. Myriad available high-tech amenities include Mercedes' Parktronic system with Advance Parking Assist that enables autonomous parking in both parallel and perpendicular parking spaces.

COMING SOON

Ad designed by Griffin Productions

2014 LUXURY SUV NOW AVAILABLE

3.5 LITER V6

FUEL ECONOMY

2014 ACURA MDX

ESTIMATED PRICE \$45,000

WHAT IT IS: The sales star of Acura's constellation, this luxury seven-passenger SUV gets a total makeover. Replacing the wedgy, chiseled lines of the second-gen MDX, version three heralds the brand's new "AeroSculpture" styling theme, which, in keeping with Acura's latest releases, is significantly toned down and softened.

WHY IT MATTERS: The MDX accounted for about one-third of Acura sales in 2012, so failure is not an option.

PLATFORM: Shared with Honda's other big SUV, the Pilot, the redesigned MDX's structure has a longer wheelbase for greater middle-seat comfort and rear-seat access. Rigidity will increase while a few pounds are shed. There also will be a front-drive version.

POWERTRAIN: The "Earth Dreams" 3.5-liter V-6 will feature direct injection and cylinder deactivation to deliver improved power, torque, and fuel economy.

COMPETITION: Audi Q7, Buick Enclave, Infiniti JX35, Land Rover LR4, Lexus GX460, Lincoln MKT.

BUSINESS DESIGN

2014 LUXURY SUV CROSS OVER

SUPER CHARGED V8

510 HORSE POWER

2014 RANGE ROVER SPORT

STARTS AT \$63,495

The new Range Rover Sport is a luxury crossover SUV that starts at \$63,495 and ekes into the six-figure range for a well-equipped Range Rover Sport Autobiography, the model we tested in-house. Obvious competitors include the Porsche Cayenne and BMW X6, but it overlaps to varying degrees with a host of high-dollar SUVs.

Our first exposure to the car included two days of driving in its native land. "We drove the 2014 Range Rover Sport over undulating English country roads, through tightly spaced old English towns, up muddy hills, into and out of the deepest water we've ever braved, and on an active English runway at 145 mph, and it was brilliant every step of the way."

Around the same time as our first drive, the 2014 Range Rover Sport set a Pike's Peak record as the fastest production car ever to make the 12-mile climb from 9,390 to 14,110 feet above sea level.

Funny what you can do with a 510-horsepower supercharged V8.

BUSINESS DESIGN

Power Washing Services

H2O Works is the area go-to-source for pressuring washing of fleets, building exteriors, storefronts, vehicles and residential/commercial properties. Our advanced pressure washing equipment can remove the toughest stains and mess, including paint spills, caulking, cement, stucco and more! We can pressure wash any hard surface: sidewalks, parking lots, fences, building surfaces and most outside surfaces. We can also wash your construction trailer, heavy equipment and company fleets.

- Surface Cleaning
- Window Washing
- Parking Garages and Lots
- Gas Stations
- Playgrounds
- Shopping Carts
- Shopping Plazas
- and much more!

(855) 420-9757 www.h2oworkscny.com

Property Management & Real Estate Services

Our business is to provide our clients with management solutions that help their properties operate smoothly, increase in desirability and enhance investment value.

- Rent Collection
- Evictions
- Tenant Screening
- Move Ins & Outs
- Owner P/L Statements
- Property Management
- Real Estate Sales
- Property Maintenance
- Bill Payments (mortgage, taxes, insurance)
- Property Renovation

FASHION DESIGN

AVAILABLE AT SPECIALTY DEPARTMENT STORES NATIONWIDE

NOV 29TH 2013 BLACK FRIDAY

GOLD JAY Z

first glance, the bottle seems simple white bottle with gold accents. But the cap is actually engraved with Jay Z's words of encouragement: power, pride, confidence, strength, success, courage. Within, you'll find a masculine juice with a mix of bergamot and cardamom at the start, which bleed into vetiver and teak wood. Finally, the scent finishes with amber, myrrh, and bourbon vanilla. The prices range from \$39-\$70

will be available nationwide at other retailers on Nov. 29 (Black Friday)

www.facebook.com/JayZ

SATURDAY NOV. 9TH 2013 **START 2PM-6PM FINISHES**
